Dated: December 1, 2006
Public Version Dated: December 6, 2006

Pursuant to Federal Rule of Civil Procedure 56, Defendants InterDigital Communications Corporation and InterDigital Technology Corporation (collectively, "InterDigital") file this Motion for Summary Judgment. In support thereof, InterDigital respectfully shows this Court as follows:

1. On January 12, 2005, Plaintiffs Nokia Corporation and Nokia, Inc. (collectively "Nokia") filed their Original Complaint in this case, seeking: (1) a declaratory judgment of noninfringement and invalidity as to certain patents held by InterDigital; and (2) relief under Section 43 of the Lanham Act (15 U.S.C. § 1125(a)). *See* Original Complaint for Declaratory Judgments of Patent Invalidity and Noninfringement and Violations of the Lanham Act Relating to 3G Mobile Phone Technology (D.I. 1). InterDigital filed a motion to dismiss the complaint. *See* Defendants' Motion to Dismiss for Lack of Jurisdiction Over the Subject Matter Pursuant to Federal Rules of Civil Procedure 12(b)(1), 12(b)(6), and 12(h)(3) (D.I. 10).

2. On December 21, 2005, the Court granted InterDigital's motion to dismiss in part and dismissed all of Nokia's claims except for the claim under the Lanham Act. *See* Memorandum Opinion at 13 (D.I. 25).

3. InterDigital now files this motion for summary judgment on Nokia's claim under the Lanham Act. The grounds for InterDigital's motion for summary judgment are fully set forth in the Brief in Support of Defendants' Motion for Summary Judgment and supporting materials filed contemporaneously with this motion.

4. InterDigital further requests that this Court award InterDigital its reasonable attorney's fees and costs in this litigation and reserves the right to submit separate and additional briefing in support of its entitlement to such fees and costs.

CONCLUSION

For the reasons stated above, Defendants InterDigital Communications Corporation and InterDigital Technology Corporation ("InterDigital") respectfully request that this Court: (1) grant InterDigital's Motion for Summary Judgment; and (2) enter a final judgment that Plaintiffs Nokia Corporation and Nokia, Inc. take nothing on their claim against InterDigital.

If this Court grants such relief in full or in part, InterDigital further requests that this Court – pursuant to 35 U.S.C. § 285, 15 U.S.C. § 1117(a), 28 U.S.C. § 1919, Federal Rule of Civil Procedure 54(d), District of Delaware Local Rule 54.1(a)(1), and any other applicable law – award InterDigital its reasonable attorney's fees and costs in this litigation. InterDigital expressly reserves the right to submit separate and additional briefing in support of its entitlement to such attorney's fees and costs.

InterDigital further requests all other relief to which it may be entitled.

Respectfully submitted,
